

# **Fire POWER**™

**Portable power distribution systems  
for the firefighting services.**

**The only electrical power system that is waterproof and crushproof, delivering dependable electrical power safely, while eliminating G.F.I nuisance tripping...**

**386-873-2990 | [Firepowerproducts.com](http://Firepowerproducts.com)**

**The Fire Power System** is engineered to eliminate dangerous GFI nuisance tripping and make electrical power available at the fireground **without any worry to the firefighter**. The system is engineered with abuse in mind!

**Fire Power** is the only system designed exclusively for the **safety** and **convenience** of the firefighter. They can't be crushed by other fire vehicles as other conventional connectors can, and **can be submerged** in 3' of water. The firefighter can stop worrying about being left without power while fighting a fire. It is **easy to install, easy to lay out**, and above all else dependable.

All Fire Power products are designed to be **Crushproof & waterproof** when mated.

**Internal FS-Box Receptacle, M165200**

*For use in on-board fire-safe conduit box.*

**Distribution Rollover Block M164500**

*3 Outlet Rollover junction. Crush resistant and waterproof up to 3' when mated.*

**Male / Female Extensions M164300 (25')**

*Waterproof when mated. IP68 rated. Molded plugs available in black and red. Custom options and lengths available*

**External FS-Box Receptacle M128900**

*Waterproof when mated.*

**Male and Female IP68 Pigtails  
Male M164502  
Female M102405**

*3' Fire Power Pigtails  
Custom options and lengths available*

Male to Female 12/3 Extensions	
Product	Product Code
Black Molded Plugs, 25'	M164302
Black Molded Plugs, 50'	M164300
Red Molded Plugs, 100'	M164301

Male and Female IP68 Pigtails	
Product	Product Code
Female 10/3 Yellow, 3'	M101610-010Y-003-BLK
Male 10/3 Yellow, 3'	M102405-010Y-003-BLK
Female 12/3 Yellow, 3'	M101607
Male 12/3 Yellow, 3'	M102402
Female 12/3 Yellow, 10'	M101610-012Y-010-BLK
Male 12/3 Yellow, 25'	M102400-012Y-025-BLK

Junctions, Receptacles, and Accessories	
Product	Product Code
Box Receptacle, Internal FS	M165200
Box Receptacle, External FS	M128900
Cold Shrink Kit 10/3 -12/3	A265001
Cold Shrink Kit 14/3 -16/3	A265000
Rollover Block, (3) 12/3 outlets	M164500
Spider (FP-40): (1)M-input (2)F-output	M164400

Custom Options and Lengths Available

All **Fire Power** portable electrical systems are specifically designed for long service life under rough handling conditions, severe service situations, and weather environments. Component materials meet or exceed the highest standards and specifications for the applications intended.

They meet or exceed applicable NEC and OSHA safety standards and regulations. Our qualified and experienced engineers will assist in the development of your project from initial concept to completed working installation. Continued consultation, backed up by factory sales, service and parts are available for the life of the system. Call or write today for more information.
